NOTICE OF SPRING ELECTION

April 4, 2017

FROM THE OFFICE OF THE TAINTER TOWN CLERK
TO THE ELECTORS OF **TOWN OF TAINTER**, DUNN COUNTY, WI

Notice is hereby given of a nonpartisan Spring Election to be held in the Town of Tainter on April 4, 2017, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place an elector shall: **show a valid photo ID**, state his or her name and address and sign the poll book before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the Spring Electio

Where an **optical scan** system is used, the elector shall connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided, and connect the arrow next to the write-in line. On referendum questions, the elector connect the arrow next to "yes" if in favor of the question, or fill in the arrow or connect the arrow next to "no" if opposed to the question.

Where **touch screen** voting systems are used, the elector shall touch the screen next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the elector shall touch the screen next to "yes" if in favor of the questions, or the elector shall touch the screen next to "no" if opposed to the question.

The vote shall not be cast in any other manner. Not more than five minutes time shall be allowed inside a voting booth. Sample ballots or other materials to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If an elector spoils an optical scan ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official who shall issue a proper ballot in its place. After the elector has cast his or her vote, the elector shall leave the voting booth, properly deposit the ballot, and promptly leave the polling place.

The elector may spoil a touch screen ballot at the voting station before the ballot is cast.

After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the elector shall insert the ballot in the voting device and discard the sleeve. Where a central count system is used, the elector shall insert the ballot in the security sleeve so the marks do not show. After casting his or her vote, the elector shall insert the ballot in the ballot box and discard the sleeve or deliver it to an inspector for deposit. The elector shall leave the polling place promptly.

After an official touch screen ballot is cast, the elector shall leave the polling place promptly.
