6. BUSINESS.

a. Michael Weber: Concept map to divide approximately 7.2 acres from an approximately 20 acre parcel, parcel ID 1703822912053300001 and to divide approximately 2.1 acres from an approximately 18.5 acre parcel, parcel ID 1703822912053300003 both located in the SW ¼ of the SW ¼ of Section 5, Township 29 North, Range 12 West, Town of Tainter, Dunn County, Wisconsin. Michael Weber was present to explain that he would like to keep a 7.2 acre parcel and 2.1 acre parcel and possibly sell the remaining acres of his four parcels. Discussion was had on if the 2.1 acre parcel would be approved by Dunn County Zoning as an approximately 1.5 acre parcel has already been divided off from the original parcel. Discussion was also had on the concern of the possibility of creating land-locked parcels if the parcels would be sold separately rather than combining all four parcels. Motion by Tom to support concept map as long as it is compliant with Dunn County

Zoning and it does not create any land locked parcels. Motion seconded by Jerry. Roll call vote: Darwin - yes; Jerry – yes; Dave – yes; Jeremy – yes; Tom – yes. All in favor, none opposed, motion carried.

- b. Donald Lentz: Final CSM for an approximately 6.1 acre parcel, parcel ID 1703822912362200003 located in the NW ¼ of the NW ¼ of Section 36, Township 29 North, Range 12 West, Town of Tainter, Dunn County, Wisconsin. Darwin explained that this CSM is being reviewed to correct a deviation from the Dunn County Zoning Ordinance. The Plan Commission members did not find any areas that conflicted with Town Ordinances nor the Comprehensive Plan. Motion made by Jerry and seconded by Tom to recommend approval of the proposed final CSM to the Town Board. Roll call vote: Darwin - yes; Jerry – yes; Dave – yes; Jeremy – yes; Tom – yes.
